POP-UP ♥ BOUTIQUE

Thank you, for booking your Postie Fashion Presentation with me.

My hostesses in the past have found it is **beneficial to over invite** just in case some ladies are unable to attend. It is always a good idea to **make a reminder call** a couple of days prior to your party so you will know exactly who is attending on the day.

If there are some ladies who cannot attend you will probably find the outside order form will come in handy. Ladies are happy to shop from catalogues and have confidence knowing that we have a **14 day money back/exchange guarantee** on our garments. Outside orders really do boost your party total and can make your hostess benefits even more rewarding for your efforts.

Please remember that **2 party bookings** really do benefit you greatly when you are choosing your free and/or half priced garments. These bookings will entitle you to a **Loyalty Reward Certificate** to the value of **10%** of your total party sales. It is always great choosing a garment or two knowing that these are **FREE, compliments of Postie Fashions.**

All of my successful hostesses follow the above steps, so I know that with both of us working together your party will be a success as well.

Our team of Stylists is growing all the time, should you or someone you know be interested in becoming a Stylist with Postie Fashions, let me know and I will be happy to give you further information.

Don't forget if you have any queries at all please do not hesitate to give me a call on the phone number below. I always aim for my hostesses to receive the very best benefits possible from their presentations, so I can't wait to "GET THE SHOW ON THE ROAD !"

Kind Regards,
